Referral Program

How does it work? Invite your friends and contacts to shop with us. When they make a purchase you earn a commission.

Click on the Referral program icon to see your unique discount code and sharing URL.

The discount code is entered on the checkout page on our store <https://shop.thoclor.com>. This gives the customer a 10% discount on their first order. You in turn make 10% commission on whatever they buy.

They can also put your email in the “did someone refer you” box when they place an order on our website.

Love our products? Tell your friends and earn a reward when your friends make a purchase. Your rewards can be withdrawn to your bank account or used to pay for your orders on our website. Your friend will receive a 10% voucher code to use on our website.

Share this voucher with your friends. They will get 10% off their first order, and you will earn 10% of their spend.

Affiliate Program

How does it work? If you have a website and want to promote our products there you can make use of affiliate links to earn commission. You can also share the links on your Facebook page, in email etc.

You will need to apply for this part of the program.

Click on the Affiliate program icon and fill in the application. Once you have been approved you will see your unique affiliate links in this section of your account.

Share these links for the specific product you wish to promote. You can shorten them using bit.ly or similar.

Sell our affiliate products to earn commissions. Each product in the table below is available for the affiliate program and is attached to your "affiliate link". Share these links with your friends via Facebook, Twitter, Email, Blog, Google Adwords, etc. When any of your friends purchase the products, you will earn commission from the sales
